

# GLASS TRADES ASSOCIATION of Northern Alberta

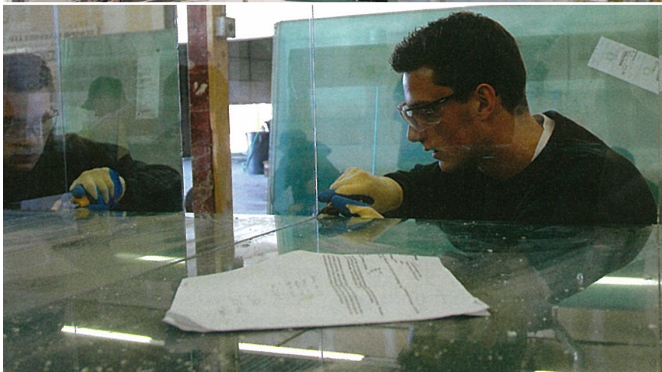

[www.gta-ab.com](http://www.gta-ab.com)

Get into the trades...become a GLAZIER!

Discover career and apprenticeship opportunities in the dynamic and growing glass and architectural metal industry. The GTA supports our members and the Edmonton campus of the highly recognized SAIT (Southern Alberta Institute of Technology) Glazier Trade Apprenticeship Program. Classes for the first year students at the Edmonton campus began on May 12, 2008 and have quickly expanded to include year 2, and now 3 and 4 in 2010.

More skilled glaziers are needed to meet the demand of the booming glazing industry. Consider a rewarding career as a Glazier!

For more information on the glazing trade and apprenticeship training, visit Alberta Apprenticeship and Industry Training [www.tradesecrets.gov.ab.ca](http://www.tradesecrets.gov.ab.ca) or phone your local Apprenticeship and Industry Training office by calling 310-0000 (toll-free if long distance) and ask to be connected.
