High school youth in your community are seeking internship opportunities in the trades through the Registered Apprenticeship Program!
Join the 1,000 employers already participating in youth internships across Alberta.

CAREERS: The Next Generation is an Industry-driven non-profit organization committed to providing youth with internship opportunities in the Registered Apprenticeship Program, Production Field Operation, Power Engineering, and over 200 careers in Health Care. The CAREERS Aboriginal Youth Initiative provides opportunities for internships for Aboriginal youth across Alberta.

Contact CAREERS today to participate in youth internships.
